The main site plan illustrates a residential or commercial development area. Buildings are shown as light purple outlines with various rooflines. A network of roads and paths is depicted with red and purple lines. Numerous trees are marked with green symbols (triangles for categories A, B, and C) and labeled with codes like G18, G19, G20, T16, T17, T20, T21, T22, T23, H47, and G24. Some trees are enclosed in circles, likely representing root protection areas. The plan is overlaid with a grid of elevation points, many starting with a '+' sign (e.g., +10.276, +10.368, +10.351). Two dark purple text boxes provide specific instructions: 'Special precautions in accordance with SGNs 7, 9 and 12 to be taken when establishing footpath section.' and 'Special precautions in accordance with SGNs 7, 9 and 12 to be taken when establishing car park spaces.' The plan also shows various exclusion zones, including a large hatched area in the center and yellow-shaded precautionary areas.
