BS category A

Trees of high quality

BS category B

Trees of moderate quality

BS category C

Trees of low quality

BS category U

Trees unsuitable for retention

Trees to be removed

Proposed layout

Estimated tree positions not included on original land survey and crown spreads

Protective barrier/fencing

Construction exclusion zone (CEZ)

Precautionary Areas

Construction exclusion zone protected by ground protection

Root protection area (RPA) boundaries for category A and B trees

Root protection area (RPA) boundaries for category C trees

The main site plan illustrates the proposed construction layout and tree protection measures. A red line indicates the proposed layout, with a yellow area labeled 'H47' representing a construction exclusion zone. Various trees are marked with green triangles and labeled: T45, T48, T49, T50, T51, T52, T54, T55, T27, T28, T29, T30, T31, G25, G26, and G32. Root protection areas (RPA) are shown as circles around the trees. The plan also includes a grid of spot heights and a dashed line indicating a boundary. A purple line highlights a specific area on the right side of the plan.

Special precautions in accordance with SGNs 7, 9 and 12 to be taken when establishing footpath section.

Area of poor-quality elm regeneration which will be unsustainable beyond the short term.
