Dear Katherine,

Thank you for meeting with me and David this week, we both felt that it was a really productive discussion and it was good to meet you and the Conservation Officer (apologies - I didn't make a note of his name and email - would you be able to provide me with it?)

As discussed, we would like to withdraw our application and reapply once we have made some alterations and discussed the scheme with you further.

We will be in touch over the next few weeks.

Kind regards,

Emily

Mrs Johnson,

Yes, the proposal will be connected to the mains.

Regards,

Emily

Ms Doll,

Thank you for the plans. They all look fine now.

Can you please confirm if the proposed will be connecting to mains sewers?

Thank you,
Mrs Johnson

Dear Mrs Johnson,

I assume you mean that the existing elevations and plan were incorrect?

I have now updated the existing drawings to your comments - please find attached.

And yes, as per label on the existing elevations, ship lap cladding is used and it is not a garage door.

Kind regards,

Emily

Ms Doll,

The proposed elevations and ground floor plans still are incorrect.

On the exiting front ground floor plan there is a window for Bedroom 1 that is not shown on the existing front elevation.

Please show the doors on outbuilding 1 on the side elevation.

Also, please confirm that on the existing side elevation (04) that ship lap cladding is being used and not a garage door.

Thank you,
Mrs Johnson

Dear Mrs Johnson,

Please find attached the updated drawings you have requested to validate our application.

I hope that all issues have now been resolved and you will be able to accept the application.

Kind regards,

Emily Doll
