Dear Simon,

I have spoken with my clients and they were pleased to receive the news - many thanks for that. They are happy to agree to the time extension that you request, (do you send out a letter, or is this e-mail sufficient?); however, should you be in a position to approve the application beforehand, they would, of course, be delighted to receive it!

Thanks again.

Regards,

Roy

Dear Roy,

We will now be recommending approval and this will be a delegated decision.

I note the current expiry date is the 29th March but I will struggle to make that date as I have 11-12 applications to write up before yours. Can we agree a short Extension of Time until Friday 7th April which should be more achievable.

Kind Regards

Dear Simon,

I see that the Business Development Manager no longer objects to my client's scheme. In the light of this, and your previous comment that you were recommending refusal solely on the grounds that she was objecting, am I right to assume that the application to lift the condition will now be recommended for approval? If so, and there seems no reason why this should not be the case, will this now be a delegated item as it no longer conflicts with Local Plan policy?

Regards,

Roy
