Dear Simon

We agree to the extension of time until 13th April for both applications. I have looked through the comments for both sites and would like to discuss them with the applicant before I respond so I'll get back to you as soon as possible.

Regards

Clare

Dear Clare,

It is my intention to take both of these applications to our April 11th Ctte Meeting. The agenda close for this meeting is next Friday when reports have to be done by. Could you go through the local resident representations on each and respond to the points they have made so I can put your responses in the report.

Please can you also agree to an Extension of Time for both applications until 13 April 2018.

Kind Regards
