Dear Sir,

**Proposal: Amendment to sitting & design of temporary agricultural worker's dwelling at Sheepwash Farm for a temporary period of 3 years (re-submission following approval AL/49/11/).**

**Site: Land at Sheepwash Farm, Church Road, Aldingbourne, PO20 3TT.**  
**AL/90/11/**

Thank you for your letter of 03/11/2011.

The applicant is advised to consult the Environment Agency directly regarding the use of a septic tank drainage which disposes of effluent to sub-soil irrigation. The owner of the premises will need to maintain the septic tank to ensure its long term effectiveness. The Council's Building Control officers/technical staff or Environment Agency should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.
