Simon

Thank you for the update about condition 1 on the above reference.

I see from the website that your colleague in Environmental Health has made comments on both the Aldingbourne Park and the Beechfield Park applications in which she requests the retention of the numbers conditions.

I am not clear whether she has seen the supporting statement and, in particular, the Lands Tribunal decision that was attached.

At the very least it would be useful to understand why she is requesting the retention of the numbers conditions against that background.

Is that something you will deal with please, or would you want me to communicate with her?

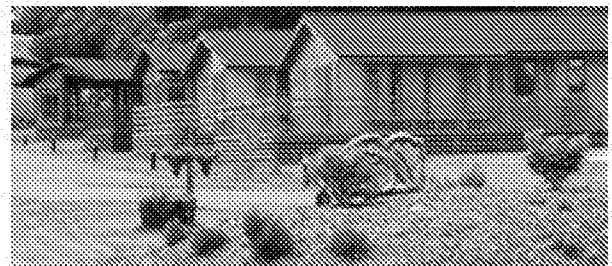

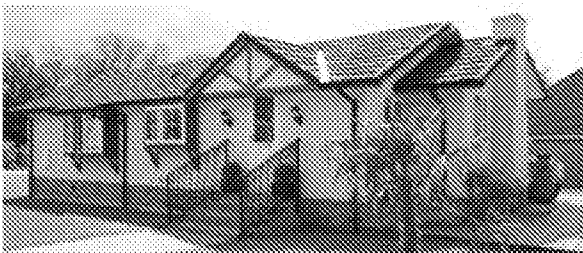

Many thanks.

Kind regards

John Preston.
