Dear John,

My Team Leader requested that it be removed from the description as he did not consider that the particular condition could be removed or why it would be necessary to remove it.

If you want it to be reinstated on the description then we can do that but we will need to re-advertise the application with the amended description.

Kind Regards

Dear John,

According to our file note, my Team Leader requested that the description be changed to remove condition 1. He is not in until early next week so I have asked him to respond to you. I do note that condition 1 was retained in the AL/84/19 application and I have made him aware of that.

Kind Regards

Simon

Sorry to trouble you again on this case but the application was also to include condition 1, but the description of the application does not seem to be recognising this?

Thanks.
