Good morning Simon.

As per our email exchange last week, I can confirm that the above application was considered at Aldingbourne Parish Council's last planning meeting on Dec 10th. The outcome from that discussion was that Councillors wished to note their continued objections to the application, commenting that their objections remained the same as those noted when this issue was previously considered by them in November under application reference AL/84/19/PL:

*This Council objects to this application on the grounds that the existing conditions seem reasonable and, therefore, this authority sees no reason to change the regularisation. Aldingbourne Parish Council therefore recommends that licence conditions should continue in their present form (on the basis that it is believed that planning conditions supersede the licence, and hence there is no need for amendment).*

I trust this email now reaches you successfully (a confirmation of safe receipt would be much appreciated) and is helpful in your deliberations.

Kindest regards.

Hi Simon. I've been poorly the past couple of days so only just spotted your email. I'm not home right now so can't clarify until later.

Have had lots of email issues since trying to move to a new [gov.uk](http://gov.uk) email address so fear my notification may not have reached you for that reason. I'll check draft planning minutes from December asap and come back to you very soon.

Many thanks for checking. Much appreciated.

Hi Lindy,

I wonder if you can advise me what the Parish Council comments were with regard to application AL/91/19/PL Beechfield Park? I see from your website that it was on the agenda for the 10th December Meeting but we have not yet been advised what the outcome was.

Kind Regards
