Mr Barrow,

It has come to light now as I have started writing the report and have not looked at the plans regarding the elevations etc until now. The application should have not been validated without all the elevations.

Dear Mr Barrow,

Please can I have drawings of the side elevations for the above application in order to make a decision on the application. I will need these drawings by midday on Friday. I appreciate this isn't a lot of time but I need to be able to see the relevant plans before issuing a decision.

Kind regards

Finlay Gardner
