Our Ref

PLAN-019955

Date

12/10/2017

Dear Sirs,

Proposal: Change of use of land to a community garden, siting of metal shipping container & erection of perimeter fence.

Site: Allotments rear of Ivy Lane, Aldingbourne, PO20 3RE.

AL/93/17/PL

Thank you for your letter of 13/09/2017.

Southern Water would have no objections to the above proposal.

The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

Due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site.

The applicant is advised to discuss the matter further with Southern Water, Sparrowgrove House Sparrowgrove, Otterbourne, Hampshire SO21 2SW (Tel: 0330 303 0119) or www.southernwater.co.uk.

Due to surface water inundation issues in the Lidsey Catchment "The applicant is advised to adopt, where appropriate, the measures in the table "Practical measures to reduce the
