Subject: Application Ref: AL/95/13 - Land at Fontwell Avenue, Aldingbourne, West Sussex

Dear Mr Davis,

Development: Outline planning application for 3 no. detached houses with garaging
Location: Land west of Oaktrees Fontwell Avenue, Aldingbourne
Your Ref: Our Ref: AL/95/13/

It is acknowledged that the West Sussex County Council Highway Engineer has made comments on our application. It is pleasing that they are supportive in principle, but the County Highway Engineer comments that *"Before WSCC can support this application, we would first require the full ATC data that relates to the traffic counts and speed data..."*

I now have pleasure in providing you with the requested information, and I trust that this is sufficient to satisfy the County Highway Engineer.

It is understood that the target determination date for this application is 17th February. With this in mind, can you advise on your thoughts on our proposals, and when a decision can be expected to be reached?

I look forward to hearing from you.

Best regards,

TIM RODWAY
