| Date of Application | 2025-10-20 00:00:00 |
| Category | Application |
| Recommendation | No Objection No Objection – with conditions Objection Holding Objection |

EH Comments:

I have considered the above application and while I have no objections in principle I would recommend the following conditions.

Conditions Recommended:

CONSHOUR : Hours of working - no CMP

Demolition/construction works shall only take place between 08:00 hours and 18:00 hours (Monday to Friday) and between 08:00 hours and 13:00 hours on Saturday with no activities taking place on Sundays or recognised public holidays.

In addition to these hours of working, the Local Planning Authority may approve in writing a schedule of activities where it is necessary to conduct works outside the hours specified in this condition.

Reason:

To protect the amenity of local residents in accordance with the Arun Local Plan policy QE SP1.

ENV5 : Unexpected contamination (precautionary condition)

If during development, any visible contaminated or odorous material (for example, asbestos containing material, stained soil, petrol/diesel/solvent odour, underground tanks or associated pipework) not previously identified is found to be present on the site, no further development (unless otherwise expressly agreed in writing with the Local Planning Authority) shall be carried out until it has been fully investigated using suitably qualified, independent consultant(s). The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unexpected contamination shall be dealt with must be submitted to the Local Planning Authority for approval in writing before being implemented.

If no such contaminated material is identified during the development, a statement to this effect must be submitted in writing to the Local Planning Authority.

Reason:

To protect the amenity of local residents in accordance with the Arun Local Plan policy QE DM4.
