This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

I refer to your consultation in respect of the above planning application and would provide the following comments.

West Sussex County Council was consulted previously on Highway Matters for this application and provided comments dated 04/08/2021.

After inspection of the Arun DC planning register it does not seem any additional / revised plans have been submitted. If revised plans are submitted please re-consult accordingly.

Based on the currently submitted plans comments dated 04/08/2021 would be considered adequate from the highways perspective to determine the application.
