

Planning Statement for Lidsey Lodge, Sack Lane.

To Whom it May Concern,

The proposal is for refurbishment of the existing Orangery and the existing Loft to the Single Dwelling House.

For a Certificate of Lawfulness Proposed:-

There is no change to the footprint of the building and no changes to the heights of the existing Orangery and loft. The works are for refurbishment only of the existing Orangery and the existing loft. Again no change to the roof profile, only additional velux for natural light to the existing loft floor.

We have provided existing plans of the house, site and location plans, existing elevations (marked up for the refurbishment) and the proposed elevations (marked up for the light refurbishment).

We believe this is sufficient evidence and to show/ prove there are no changes to the overall sq.m and the works are for refurbishment only to existing orangery and existing loft.

We request a Certificate for piece of mind, prior to any works being undertaken. Again no works have been undertaken.
