Dear Sir/Madam,

Neighbouring Authority Consultation

Proposal: Adjacent Authority Consultation - AL/99/19/PL - Mono pitched extension for storing hay to be produced from 2 hectares of grassland, together with winter welfare housing for "Pigmy" Goats
Address: The Barn , Arundel Road , Aldingbourne , PO18 0JX

Thank you for your correspondence received 7 January 2020, consulting us as a neighbouring authority on the above noted development proposals.

The National Park's comments on the development are as follows:

The two statutory purposes of the National Park are:

1. Conserve and enhance the natural beauty, wildlife and cultural heritage of the area.
2. Promote opportunities for the understanding and enjoyment of the special qualities of national parks by the public.

All relevant authorities (which includes local planning authorities) must have regard to these statutory purposes when exercising their functions.

The National Park also has a duty to seek to foster the economic and social well-being of local communities within the national parks.

Having examined the development proposals, the National Park Authority have no comments to make.

Yours faithfully
