Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AW/100/20/HH
Site Address: Southgate Lincoln Avenue Aldwick PO21 3EJ
Description of works: Loft conversion with hip to gable extension & dormer, single storey rear & side extension & render & cladding to extension.

Thank you for your internet representation made on 15th May 2020 which has been recorded as no objection with the comments as follows:

OWPC26946

I wish to make comment in relation to this recent application.

I am the owner of the adjoining property (Crispin) which is currently rented out to a tenant. The address above is my correspondence address.

I would question the ability to construct/ access and maintain the extension on the Northern side due to the extremity of construction to the Party Wall/ Fence line.

Recommend moving the building line to allow maintenance and building.

Boiler Flue to the adjoining property exists at roof level and currently would be close to the proposed dormer windows, this will have to be extended/ moved.

Should the application be approved, we will require the land owner to enter into a Party Wall Award

Your views as made above will be considered before the application is determined.
