Re: AW/101/19/T

For adm of Nicola Moore.

Further to your letter of 18 April 2019, I enclose a copy of the Map which you sent to me marked with the location of my property to which my application refers with position of the Oak tree marked thereon.

The works to be done are as indicated on the form we have already completed. In addition I would require the crown of the Oak to be reduced by 1.5 metres (one point five metres) as recommended by the Tree Surgeon.

Yours faithfully
