Proposal: Crown reduction to 4no. *macrocarpa* trees to leave a height of 11m and spread of 9m.

Location: 35 Willowhale Avenue, Aldwick, PO21 4BG

I have undertaken a desktop review of Tree Preservation Orders which affect this plot. My understanding is that only Bognor No2 (Area Order) could apply to these trees. Having visited the same group of trees in 2024, I remain confident they would not have been established at the time that Order was made (1958). Furthermore, I do not believe they have sufficient amenity value to justify the making of an individual Order to control their management.

My recommendation is that the applicant be invited to withdraw their application and advised to proceed without further recourse to this Authority.
