

Planning Officer: Simon Davis

Planning Application Ref: AW/102/17/TC

Location : The White House, 24 Kingsway, Aldwick

Description of works: Fell 1 No Holly tree.

Applicants Reasons Tree is dead.

Comments On Application:

Holly *Ilex aquifolium*

- A small tree located in the rear garden with limited visibility from a point of public access.

Conclusions:

- From what I could see it is not entirely dead but is in decline and beyond recovery.

Recommendations:

- In its present state this is not a tree that is worthy of a Tree Preservation Order and I see no reason to object to its removal.
