Dear Amber

Many thanks for this, yes I have seen the full comments online now.

In consequence I am happy to withdraw my application in this respect.

Does my above confirmation achieve this or is there some formality on line I now need to complete in order to ensure the application is withdrawn?

Kind regards

Malcolm Hanner

Dear Mr Hanner,

I am the case officer on your application AW/104/19/T at 21 Barrack Lane.

I have received comments from our Tree Officer in which he states that tree would not have been established at the time that the TPO Order (Bognor 2) was made and so consent to carry out the proposed work is not required. His full comments are available online.

As the tree is not protected by a TPO, it is advised that you can proceed without further recourse from this Authority.

As consent is not required please can you confirm you withdraw the application.

Thank-you

Amber Willard
