Dear Mr & Mrs Sampson

Good morning.

I have received the consultation response from the tree officer who has recommended the following:

Recommendations:

We grant consent for the work proposed to one maple and one ash.

I would like the applicant invited to agree to an alternative proposal for lesser works to one lime (as described below) as part of the current application so as not to incur further delay. Such work will improve conditions for both tree owner and neighbours whilst ensuring no undue detriment to tree health or loss of amenity:

‘Lime – Crown lift to achieve a maximum of 3metres overhead clearance on all aspects, to 4metres where branches overhang the public highway’.

Please can you let me now if you agree to the amended description and I can update the application.

A decision is due Tuesday 4 August 2026, please could you reply no later than Friday 31 July 2026.

Kind regards

Susan Haley
