Dear Alan,

I am the case officer for the above application and have been reviewing the submitted details.

I note that the application site is located at Craigweil House, where an Article 4 Direction is in place removing permitted development rights relating to the enclosure of verge areas and the provision of hard surfacing within the front garden area.

As such, the proposed alterations to the driveway will need to be included in the description of the development. Please could you confirm that you agree for the application description to be amended as follows:

“Erection of front and side boundary wall and gate, extension to gravel driveway, free standing car port. This application may affect the character and appearance of the Craigweil House, Aldwick Conservation Area.”

Many thanks,

Silvie Steiningerova
