Dear Mr Plant,

Following our telephone conversation earlier this afternoon, I can confirm that both myself and our arboriculturist have visited the site and share the opinion that the trees subject of the application are not of an age to be covered by the Tree Preservation Order, made in 1958. Neither are they worthy of retention.

Therefore no formal application is required, the application can be withdrawn if you can confirm in writing that this is the course of action you wish to take.

I hope this information is of assistance to you.

Kind Regards,

Amelia Stroud
