I delivered a letter to your house in December 2013 asking if you would arrange to have the lower branches of your trees that are overhanging my property removed.

ONE BRANCH ONLY!

As I have not had a reply to my letter I assume you do not wish to undertake this work.

Would you have any objection if I applied to the Council for permission to have the offending branches removed and if granted arrange to undertake and pay for the work.

I would appreciate a reply to my letter.

Yours
Mrs. A. Cameron.
