Hi Mark

I received a letter for AW/106/18/TC as they haven't had a decision and its 5 weeks passed expiry. I've told them as it is notification of intention to perform works to trees in a conservation area, under Section 211 of the Town and Country planning act they can perform the works.

The same with AW/107/18/TC.

Unless you have already attended, I will send that later today.

Thanks

Amber

No problem

Are you able to please send a quick standard email to say no objection to both AW/106/18/TC and AW/108/18/TC and then I can add that to the report to send.

Thank-you

Amber

Hi Amber

That is fair enough – I cannot get around some of these sites quick enough so inevitably there will be losses.

I will amend our records to show those two notices have expired without comment from the Tree Officer (me).

Thanks for letting me know.

Mark
