4. Description of Proposed Works

Please describe the proposed works:

Replacement of existing conservatory to the rear elevation with a new orangery in the same location of the same width and projection.

Has the work already been started without consent?

☐ Yes ☒ No

5. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

Over the years Mr & Mrs Keep's use of the conservatory area has been intensive but there have been occasions where extremes of cold and heat have made that use uncomfortable and occasionally impossible. Given that the conservatory now requires some maintenance they felt it an opportune time to replace it with something which would allow comfortable all season use whilst still providing a light, open aspect onto the garden. Since the existing conservatory has proved to be ideally located and sized it made sense for the proposed new orangery to fit over the existing floor area. This should also eliminate any possible disturbance to the trees located around the perimeter of the garden.

6. Materials

Does the proposed development require any materials to be used?

☒ Yes ☐ No

Please provide a description of existing and proposed materials and finishes to be used (including type, colour and name for each material):
