Subject: planning application for 2 x weeping willows AW/10/15/T

Mr Karl Roberts thank you for your letter dated 23rd January 2015 regarding the above. I have spoken to Mrs J Chapman as you instructed, she informs me that it should be Mrs Grieves. Nevertheless she was most helpful and suggested I refer to my previous application which was granted AW/44/11/T regarding the works for the trees. Therefore the Crown reduction for both trees to be 25%. I have no idea about metres as I am over 70 and have never dealt in metres. May I suggest that you visit me if you have any more queries so that we can both view the trees together if you need any more information.

Many thanks
