Good morning Ms Willard

Thank you for your email below. The property currently has white cladding to the front and rear and the new cladding will match this. It is not the intention of my client to change the colour.

Kind regards
Simon Brodrick

Dear Mr Brodrick,

I am the case officer on your application AW/10/19/HH at 31 Queens Fields West.

I am writing to enquire the colour of the proposed cladding to the front and rear elevation of the dwelling.

If this has not yet been decided a condition may need to be included in which details are submitted at a later date however in order to avoid this an email confirming what the proposed colour is will be sufficient.

Thank-you

Kind Regards

Amber Willard
