Dear Mrs Ridley,

All works to the tree have to be approved by the tree officer and therefore even if you were to agree to these works , a subsequent application will need to be submitted for any further works at a later date.

Please let me know if you confirm the revised description.

Thank-you
Amber Willard

DearAmber
Is it possible to have permission to do this as and when the tree fouls the line as it grows bigger year on year?
With best wishes

Dear Mr Ridley,

I am the case officer on your application at 63 Barrack Lane.

Your application AW/111/19/T is currently set to be refused following comments from the Arboriculturist as attached. However he has provided advisory comments which he considers are acceptable works.

Please let me know if you agree to the advisory comments and I can amend the description to be in line with the tree officers recommendations and can write it up to recommend approval.

The revised description would read as follows:

'Reduce/remove small branches (<75mm diameter) as necessary to achieve no more than 0.5 metres clearance from around overhead (BT) cable routed through the crown.'

Please let me know if you agree.

Thank you

Amber Willard
