A Fully Insured Professional Company

Mr and Mrs A.D.Gibbs,

Bognor Regis,
West Sussex,
PO21 5RA.

24th April 2012

Dear Mr and Mrs Gibbs,

Further to my recent meeting to your property, you have requested that I carry out the following works :

- 1) To remove 3 lower branches on Corsican Pine in the rear garden of no 10 Nuffield Close which are overhanging the garden of number 15.

The reason I feel these works should be done is to re-balance the lower part of the tree as these 3 branches extend significantly to the remainder of the crown of the tree.

Yours Sincerely,

Ian Stevenson.
