

Application ref: **AW/114/20/TC**

Location: 11 The Drive, Aldwick, PO21 4DU

Works proposed: Fell 1no. fir tree within the Craigweil House, Aldwick Conservation area

I undertook a desktop review on May 20th 2020, which was adequate for me to determine the aforementioned Town & Country Planning Act 1990 (as amended) s211 Notice.

I am satisfied that the works proposed will not result in character of the surrounding area being unduly diminished.

I raise **No Objection** to the works that have been applied for and see no reason to make a Tree Preservation Order in this instance.
