

Dear Iqraa,

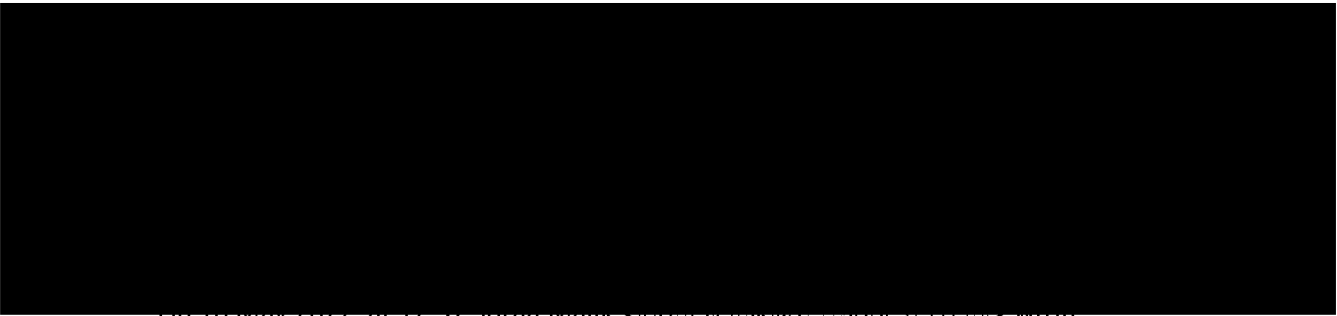

Thank you for your email, it's not really an inconsistency, just an issue of how to present the information, we have added a note to the plan in the first instance, please see attached. Is this sufficient? If not, please advise how you could like the proposed changes shown on the elevation shown on the floor plan.

Kind regards,

Pete.

Good afternoon,

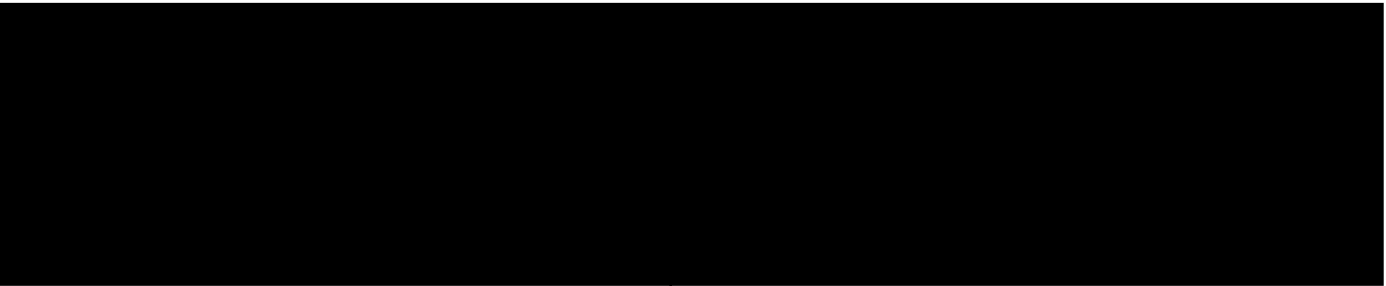

Thank you for your email.

I have attached screenshots of the inconsistency below. I hope this helps.

Kind Regards
Iqraa Malik

Forgive me Ms Malik but two of us in the office have looked over the elevations and cant spot the issue, can you be more specific please?

Kind regards,

Pete.

Good morning,

Thank you for your email.

The proposed ground floor plan is inconsistent with the proposed north-east elevation. Please review and amend.

Kind Regards

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Dear Planning, can you elaborate on which elements of the elevations and plans you consider to be inconsistent as stated within your letter dated 29 April (attached).

I can confirm acceptance with the proposed amended description of development.

Kind regards,
