Dear Mr Barwell,

AW/123/19/TC at 217 Manor Way.

I have received comments from our Tree Officer regarding your application.

He has no objection to the partial felling of the tree and states 'Furthermore, I found the tree to be in a hazardous state requiring prompt attention to safeguard persons or property. As such, I **recommend we make the applicant aware that the work proposed qualifies as an exception** and that they need not wait until the end of statutory publicity and consultation periods (1st June 2019) before taking action.'

Therefore you are able to undertake the works to the tree immediately.

As the tree qualifies as an exemption please can you confirm to withdraw the application.

Thank-you

Amber Willard
