Subject: AW/125/22/T

Reference: **AW/125/22/T**

Location: 24 Barrack Lane Aldwick PO21 4DA

Proposal: 1no. Atlantic blue cedar (T1) reduce height by 3m and spread by 2m leaving tree approximately 6m high and 5.5m spread

I visited this location yesterday. I was able to undertake a close inspection of the blue Atlas cedar tree, subject of this application.

I have undertaken a desktop review of Tree Preservation Orders which may affect this plot. My understanding is that only Bognor No2 (Area Order) could apply. I am confident that this tree would not have been established at the time that Order was made (1958). Therefore, I conclude our consent to carry out the proposed work is not required.

Furthermore, I do not believe this tree is of sufficient amenity value to justify the making of an individual Order to control its management.

My recommendation is that the applicant be invited to withdraw their application and advised to proceed without further recourse to this Authority.
