RE: AW/127/11

Mr Hopper,

Thank you for your email with plans and application information attached. Unfortunately, the proposed Ground floor plan does not match the proposed Ground floor elevatio(front). There appears to be a window on the front elevation that does not appear on the proposed ground floor plan (WC/Wetroom). Once this has been amended I will be able to validate your application.

Regards,
Mrs Johnson

Daun

thanks for your time earlier today, please find attached Housholder planning application, revised drawings, and validation checklist as requested from your correspondence of the 23rd May.

If you need further information please do not hesitate to contact me,

Nick
