Subject: AW/128/12 - 2 no. windows on existing extension at 12 Chawkmare Coppice, Aldwick.

Dear Mr Hilton,

Can you confirm that the windows installed in the rear extension have been manufactured with obscure glazing and not just a transparent film has been applied. I am afraid that this will have to go to the next Committee on the 22nd August as there has been a Parish Council Objection.

Regards

Dear Mrs Honney-Bayes,

Further to your email dated 20th June 2012 I attach herewith amended drawing Nos 4682/1xb & 2xa giving details of amended scales and addition of North arrows to site and block plan.

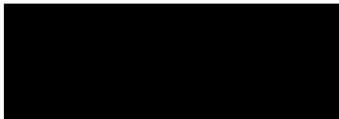

As of your first comment I give you permission to mark the red edging on the plan.

Dear Mr Barrow,

Please can you also re-send the existing floor plan and elevation. Both the existing and proposed plans need to show a scale (usually 1:100 or 1:50). We are unable to accept imperial measurement, so the reference to inches on both plans will need to be removed.

Many thanks.

Kind regards

Mrs Honney-Bayes.

Dear Mr Barrow,

Many thanks for your email and attached plans.

Please can you re-send the 2nd part showing a north point in relation to the location plan and site plan and either add the red edging (as this has been missed off the plan provided) or confirm in writing that I can mark the red edge on the plan.

Kind regards

Mrs Honney-Bayes.

Dear Mrs. Honney-Bayes,

We acknowledge with thanks receipt of your letter dated 24th May 2012 and comment as follows.

Firstly, the north direction is indicated in the title block. We have, however, added the extensions onto the location plan.

Secondly, these extensions (as noted on the drawings) were carried out under reference no. BR/230/83 on 14th March 1983.

Our client has merely added two windows into the west elevation as indicated.

May I suggest that this application is passed to Mr. D. Sullivan for his attention because, as far as we are concerned, we have complied with his requirements which are all as agreed on site.

Yours sincerely,

K.E. HILTON
