Dear Ms Binyon,

I am supposed to put the notice up by the end of tomorrow. However, this may not be possible due to other commitments and it may not be posted until next week. However, I am required by law to give local residents 21 days from the date that the notice is posted. So date for comments on the notice will be 21 days from the date that the notice is posted (I will amend the notice if necessary). I trust this satisfies your concern.

Kind Regards

Subject: yellow public notices for AW/130/18/OUT

Dear Mr Davis,

I'm contacting you as a concerned resident of Carlton Ave, Rose Green, Bognor Regis. I've just recently been made aware of a proposed planning application AW/130/18/OUT at the back of 36/38 Carlton Ave. I've noticed that the required yellow public notices are not in place, therefore the local residents have not been correctly notified of this development and are unable to make a comment if they so wish.

This application was first put on Arun web site dated 10/05/2018, surely there should be an extension of the closing date to reflect the delay of the yellow public notices not being displayed.

I would be most grateful if you could assist me with this.
Looking forward to hearing from you.
Yours Sincerely
Siobhan Binyon.
