Subject: RE: 2018-06-28 - 248225 - 8 Dwellings - Arun: AW/130/18/OUT - Carlton Avenue, Aldwick

Dear Mr Davis,

Thank you for consulting Natural England on this proposal.

Since this application will result in a net increase in residential accommodation, impacts to the Pagham Harbour Special Protection Area (SPA) and Ramsar Site may result from increased recreational disturbance. This is in combination with other planned development in the zone of influence of the SPA/Ramsar. Your authority has measures in place to manage these potential impacts through the agreed strategic solution as set out in Policy ENV DM2 in the emerging Arun Local Plan. Natural England considers this approach to be ecologically sound.

Subject to the appropriate financial contribution being secured, Natural England is satisfied that the proposal will mitigate against the potential recreational impacts of the development on the site. Our advice is that this needs to be confirmed by the Council, as the competent authority, via an appropriate assessment to ensure there is no adverse effect on the integrity of the site(s) in accordance with the Conservation of Habitats & Species Regulations 2017.

We are here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.

In an effort to reduce Natural England's carbon footprint, I will, wherever possible, avoid travelling to meetings and attend via audio, video or web conferencing.
