Simon,

Thank you for forwarding confirmation of the tree officer removing their objection.

No problem with extending to the 10th August 2018 – could you please make sure there are no further extensions though?

Could you also please let me know with what officers recommendation it is going to committee with?

Regards

Adrian

Dear Adrian,

I don't consider that I need anything at this time.

However, as this application has to go to Committee (08/08/18), can you agree an extension of time until 10th August.

Kind Regards

Simon,

I trust this finds you well.

I appreciate the statutory determination date for this application is only a week away so I wanted to check that you do not require any further information from me regarding the public and statutory consultation comments. It would appear that the statutory consultation comments, conditions and recommendations have dealt with all the public comments fairly comprehensively but should you require any further information from me prior to being able to make your decision please don't hesitate to let me know.

Best regards

Adrian
