Hello Lynnyrd

Re: the eucalyptus tree ownership of our neighbours who reside at 220
Manor way, Aldwick Bay.

I have raised concerns regarding the immense growth of the tree in the 13 years of
Since it's planting and it's proximity over our house roof. In addition we would seek
advice regarding proximity to our main drains if not for now but as it continues to
grow.

Will appreciate hearing your views on the subject.
