Dear Sirs,

Our next door Neighbours are in the Process of wanting an Extension as shown on Drawing enclosed

We really object to this as we will have no light or vision we will be looking at a brick wall. No View.

MRS ANN Songhurst AGRA

Director kindly came round to see the problem.

We did not sign ~~the~~ our approval on the Form and Ann Songhurst wants to see the Plans 1st, before she Approves.

2.

I did approach them on our feelings and Mrs Martin came round.

I asked her why she did not buy this bungalow and she said because of the wall of the bungalow.

Now she wants to extend the wall and make it unbearable for me!

Plus the fact that if I ever want to sell in the future it won't help.

We phoned your Office 2nd April and there was nothing on Computer as yet. The young lady said we could send a letter and express our feelings now.

Their Address is 4 The Lawn
ALDWICK, Bognor Regis W Sussex
PO21-4XJ. MR + MRS MARTIN
