Dear Sirs,

re:- AW/132/18/HH

4 The Lawn

ALDWICK B. REGIS

PO21-4XT

We live at No. 2 The Lawn.

MR & MRS MARTIN have put in Planning for an extension. Reverance above.

As you can see by Photo's enclosed it will destroy our light from our kitchen.

We already look at their side wall.

The only view and more importantly LIGHT comes as we look out at left side of our KITCHEN.

The extension will totally block out light. All we will have left is a brick wall.

If they get the go-ahead it will set a precedent for other bungalows to extend.

I did send a letter addressing our Concern 6-8 weeks ago.

Our Concern also is if we do want to sell in the future this isn't going to help.

If you want to come to look your welcome.

Yours Sincerely,

Mr & Mrs G TIMPSON.

No 2 THE LAWN.

ACD WICK.
