Dear Mr Gale,

It is correct that under Clause 3 of Section 211 you may now proceed with the work as the application has expired.

Kind Regards,

Zac Denton

Dear Mr Denton,

We made the above application on 27th April and were informed that the decision would be made by 7th June. As we have heard nothing further from you and the status online remains as Undecided are we right to assume that we may now proceed given the third clause of Section 211.

We look forward to receiving your confirmation as we believe this will be required by any Tree Surgeon.

We look forward to your earliest reply.

Kind regards
Bob Gale
