Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AW/133/22/HH
Site Address: 15 The Fairway Aldwick PO21 4ES
Description of works: Erection of single storey side extension including separate porch following demolition of existing side extension. This application may affect the character and appearance of the Aldwick Bay Conservation Area.

Thank you for your internet representation made on 22nd June 2022 which has been recorded as support with the comments as follows:

OWPC48358

As our property is directly opposite no. 15, the new extension applied for will be in direct view on a daily basis from our front windows. I have therefore taken a keen interest in the plans and designs submitted, and I would like to express my wholehearted support of the proposed design. I feel that it would visually enhance the street view and the selection of materials and extension design would compliment what is already a very attractive property. I note that some comments have been made regarding the resulting size of the property and would like to point out that even with the extension the house would be far from the largest example of a home in the immediate vicinity and would retain extensive undeveloped grounds to the front and rear.

Your views as made above will be considered before the application is determined.
