RECEIVED

I am writing about the plans for Extension to 33 Balliol Close West meads

AW/134/19/HH.

I am upset that someone who has just moved in to this lovely quite road and Decided to spoil it by building an upstair extension to a lovely Bungerlow. It will look very out of Place against others in the road It will also over look the neighbours next door I think it will look

© DISNEY Based on the "Winnie the Pooh" works by A.A. Milne and E.H. Shepard. HALLMARK CARDS INC.

an eyesore to be honest. This is a road of Bungerlows not houses, they do not need to make a bungerlow into a house. I think it will be a great shame if this was to go ahead.

Please Could you reconsider and think about how this is going to effect the people and myself living here. At the moment I can look across the street and see across the fields. If this gets built I won't have that view any more.

I hope you have been to see the road before you decide on this. It is a lovely friendly street that hasn't been spoilt Please think about this

Thank you [redacted]
