3rd October 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Single storey side and rear extension with habitable roofspace and conversion of existing roofspace to habitable use, together with porch removal and replacement windows.

33 Balliol Close Aldwick

Thank you for your internet representation made on 2nd October 2019 which has been recorded as **'support'** with the comments as follows:

> *I have viewed the plans of this application and looking at the comments made by others, there seems to me to be slight misunderstanding.*
>
> *The planning application is for a SINGLE STOREY extension, and the other aspect of the application is a CONVERSION OF THE ROOF SPACE INTO A BEDROOM with a dormer window. some of the comments seem to suggest this is a double extension - IT IS NOT. There are some properties in West Meads that have been approved and built in the past. Also a number of the bungalows have converted into their roof space just like this application. The plans for this application are NOT to build a house with two floors but a bungalow with a room in the roof space.*
> *There appears to be another bungalow with a very similar dormer in Balliol close. The total single storey build only occupies less than 25% of the plot.*
> *According to the plans, the front of the property will remain the same so to suggest it will not be in keeping is not a true reflection.*
> *Therefore I see no reason why this application should not be approved.*
>
> *thank you*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or

breaches equallity or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
