IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

NOTES RELATING TO APPLICATIONS TO CARRY OUT WORKS TO TREES

Appeals under Regulation 19 of the Town and Country Planning (Tree Preservation) (England) Regulations 2012

If you are aggrieved by the local planning authority's decision to refuse consent, you can appeal to the Secretary of State within 28 days of the date of this notice.

Appeals should be made on line via Appeal A Planning Decision <https://appeal-planning-decision.service.gov.uk/before-you-start> If someone does not have access to the internet and needs help completing the appeal digitally, they should contact the Planning Inspectorate customer service team on 0303 444 5000 who will provide details of the support options available.

Before making an appeal, you may find it useful to review guidance and watch a video explaining the appeals process at <https://www.gov.uk/government/collections/make-an-appeal-to-the-planning-inspectorate-and-associated-guidance>

COMPENSATION

If you suffer loss or damage which is caused or incurred in consequence of this refusal of consent, you are entitled to recover from the Council compensation in respect of such loss or damage. If you wish to make a claim you must do so within 12 months from the date of this decision (or, if you appeal to the First Secretary of State, within 12 months from the date of his decision). Claims should be submitted in writing to the Group Head of Planning, Arun District Council, Maltravers Road, Littlehampton, West Sussex, BN17 5LF.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on highway land).
