

Conservation Area Advisory Committee

Meeting Date : 5th June 2017

Ref	Description	Address	Design award
AW/137/17/HH	Single storey extensions for bedsitting room & additional utility room. This application affects the character & appearance of Aldwick Bay Conservation Area.	16 The Fairway Aldwick	

PO21 4ES

Comments:

Objection

Suggested Conditions:

The extension that projects forward from the main building is of insufficient ~~quality~~ of design and detracts from the main building. We regret the loss of the small archway in the main building. The other extension which is part of the significance of the main building resulting in loss of character to the conservation area.
