Dear Sir/Madam

**The Town and Country Planning Act 1990 (as amended)**

---

Proposed extension to music room and lift shaft to first floor - resubmission following  
refused application AW/83/08/  
15 Waters Edge Aldwick

---

Thank you for your internet comments made on 22nd July 2008 and recorded as follows:

**OBJECTION** ☐

*Members believe this development is unneighbourly as there is a possibility of unacceptable overlooking and loss of privacy and likely noise intrusion onto the neighbouring property to the west. Members also thought that the lift shaft and the changed roofline would be out of character with other properties in the locality.* ☐

*Ron Palmer, Parish Clerk*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
